

Meeting 24 July 2024, 6:00 pm

Attendance: MJensen, JCurwen, TTate, DDow, CShubert, MMcCoy

Discussed the donations we have received to date: Life's Worth Living Foundation - \$500, Big Stuff Taxidermy LLC - \$300. TTate will maintain donation records.

BSteward and AKimber are working on t-shirt logo designs for the association fund raising functions.

Decided the newly purchased slushy machine will be stored in the locked equipment room at station 2. This item is not for individual member use. At some point the association will get a designated section of station 2-1/2 for storage.

MJensen is working on the stenciling components for the newly purchased tables and chairs.

JCurwen reported that CHoughton is working on a roller unit for Engine 2 that will assist with casket transporting at funerals.

Discussed the department preparation for fireworks and especially the illegal fireworks.

DDow reported the Department Crab Crack is scheduled for 16Oct.
